***Service Reflection Questions for Grades 9 & 10***

Motivation for service:

- Why did I choose this service activity?
- What were my feelings and emotions when I began this service?

The Experience itself:

- What sights, sounds, smells, tastes and touches remain with me from the experience?
- What is one of the highlights that remain with me when I recall the experience?
- What feelings and emotions did I experience during my service?
- What would I do differently next time?
- What would I do the same?

Ongoing effects:

- Was this service a one-time event or will I consider doing it again?
- How will I make this service part of my prayer life and integrate it into my spiritual life?
- What life choices will I make differently in the future because of this experience?
