

St. Anthony Meal Program

*F*or over 30 years, the people of St. Anthony Parish have provided a hot meal for the poor and homeless at the St. Vincent de Paul meal site on the corner of 10th and Madison Street on Milwaukee's south side. The meal is cooked, served and transported by parishioners on the 4th Wednesday of each month.

*T*he meal consists of a nutritious chili macaroni casserole, coleslaw, vegetables, canned fruit, bread, dessert, coffee, milk, etc. Over 100 generous and faithful St. Anthony volunteers work together to make this meal possible and ensure that it is delivered and served to those in need.

*W*e welcome new volunteers. Please see the recipes that are also available on this page. Ground beef and kidney beans are supplied to those who wish to make the casserole. Our schedules are rotating with volunteers asked to participate at most **every other month**.

Help us make a difference.
